FIFTIETH CONGRES.

The Tariff Bill Passed in the
Senate.

THE CUSTOMS COMMISSION.

A Strict Party Vote on the Tariff—32
to 30—The Yeas and Nays—
Doings in the House.

SENATE.

WASHINGTON, January 22.—Senator
Vest presented a ludicrous alleged mem-
orial from dentists asking a bounty
of \$1 each for teeth extracted, in order
to encourage an honest industry and a
lower cost to patients, and encourage
immigration of dentists from other
parts of the world, thereby making a
better market for agricultural and other
products of this country.

The Senate resumed consideration of
the tariff bill, the pending question be-
ing on the amendment offered by Rea-
gan to the wool section.

Merrill made some remarks, to the
general effect that the Republican Party
is always ready to reduce the tariff
where it could safely be done. Merrill
continued, saying that England by free
trade sacrificed her landed estates to
have the supremacy of trade abroad.
The Mills bill was a distinct abandon-
ment of protection, particularly as re-
gards to agriculture. It was the tariff
reduction on sugar which would reduce
the cost to the consumer of not less
than 1 cent per pound, and the pro-
posed bounty on sugar would multiply
the crops of the farmer by the intro-
duction of

PERMANENT PROFITABLE CROPS.

Reagan made an argument in favor
of his amendment, changing the duty
on all grades and kinds of wool to 25
per cent. ad valorem.

Coke expressed a readiness to vote to
put wool on the free list whenever all
bases of manufactures were put on the
free list.

Reagan's amendment was rejected—
yeas 22, nays 31. Brown and Payne
voted no.

Vance moved a proviso that no article
in the wool or woolen schedule should
pay a duty exceeding 75 per cent ad
valorem. Rejected—yeas 27, nays 33.
Brown voted aye; Payne no.

Schedule wood and woodens were
taken up. Aldrich reported as an
amendment to insert in paragraph 301
the words "white pine, \$1.50 per 1,000
feet, board measure. Agreed to.

Vance moved to amend paragraph
207, as to pine clapboards, by striking
out the words \$2 per 1,000 feet, and in-
serting the words, "shall be admitted
free of duty."

Stockbridge opposed Vest's amend-
ment.

Vance moved to amend Vest's amend-
ment, by making it apply to

ALL LUMBER PARAGRAPHS.

Vest again took the floor, and com-
mented on trusts generally, and particu-
larly on the fact that the great
lumber trust was on a secret mission.

A lengthy political colloquy ensued.
Finally, the question was taken on
Vance's amendment, which was ac-
cepted by Vest as a substitute for his
own. Rejected—yeas 19, nays 28.
Brown and Call voting against it.

Hiscock, of the finance committee,
offered a proviso, which was agreed to,
except in the case of export duties on
lumber by any foreign government
such sawed lumber shall remain as
under the present law.

Aldrich, on behalf of the finance
committee, moved to insert after pa-
graph 209 the words "Reeds 10 per cent.
ad valorem; chair cane, 15, also to in-
crease the rate on sawed board, mahog-
any, etc. (paragraph 215) from 15 to
20 per cent. ad valorem. Agreed to.
Voorhees submitted some general re-
marks on trusts, principally

IN A POLITICAL VEIN.

Sherman offered a proviso, which was
agreed to, (paragraph 267) in taxing
fresh fish 1½ cents per pound, that the
duty shall not apply to fresh fish
caught by citizens of the United States
on the high seas or open waters or lakes
forming the boundary between the
United States and Canada.

Numerous amendments were reported
from the finance committee and agreed
to, without objection. Among them is
one reducing the duty on nickel ore, for
nickel therein, from 30 to 20 cents per
pound and nickel in mat from 10 to 5
cents; reducing the duty on cocoa mat-
ting from 10 to 5 cents per square yard,
and on cocoa mats from 5 to 4 cents
per square foot; amending the proviso
to paragraph 152, so as to make it read
that all iron or steel wire valued at
more than 5 cents per pound, instead
of 10 cents, shall pay a duty of not
less than 35 per cent. ad valorem; in-
serting in paragraph 417, which im-
poses a duty of 35 per cent. ad valorem
on

MANUFACTURES OF LEATHER,

gutta percha, etc., the words "vulcan-
ized India rubber, known as hard rub-
ber."

Kustis moved to amend paragraphs
219 and 220, in the sugar schedule, by
reducing the rate on sugar above No.
16, and not above No. 30, Dutch stand-
ard, from 1½ to 1¼ cents per pound,
and on sugar above No. 20, from 2 to
1½ cent. Rejected—yeas 22, nays 31.
Reagan moved to amend the bill by
adding a section imposing a graded in-
come tax. Rejected.

Paragraph 412, calf skins, etc., was
amended by increasing the ad valorem
rates on sheep and goat skins from 25
to 30 per cent, and on skins from Morocco
from 10 to 15 per cent.

The amendment reported yesterday
from the finance committee, to pa-
graph 321, as to stockings, hose, etc.,
was agreed to.

Standford offered an amendment to
the bill heretofore introduced by him,
to authorize producers of

PURE SWEET WINES,

who are also distillers, to use free tax
white prints necessary to fortify such
wines up to an alcoholic strength of 14
per cent.

The amendment heretofore offered by
Brown to the rice paragraph was re-
jected on this vote. Senator Cameron
voted with the Democrats, and Sen-
ators Bate, Benjamin Bladgett, Cock-
rell, Coke, Faulkner, Harris, Jones

(Arkansas), Rean, Turpie, Vest and
Walshall with the Republicans.

On motion of Aldrich, the paragraph
was finally amended by making the
rates on cleaned and uncleaned and
broken rice, or rice flour, 1, 1¼ and 1½
cents.

Plumb moved to insert an additional
paragraph relating to the establishing
of a Treasury Department commission,
to be known as

THE CUSTOMS COMMISSION.

Agreed to, without division. It pro-
vides for the appointment by the Pres-
ident, with the advice and consent of
the Senate, of five officers to hold their
offices one, two, three, four and five
years, respectively, not more than
three to be of the same political party,
with a salary of \$7,500 per annum, and
a permanent office at Washington.

The amendment to paragraph 257, as
to oranges, lemons and limes, reported
to the finance committee, was agreed
to. It increases the rate per pack-
age, according to capacity, from 10, 20 and
48 cents to 13, 25 and 50 cents, and from
1 cent for every additional cubic foot
to 10 cents.

Allison offered an amendment, which
was agreed to, repealing the provision
requiring a stamp to be fixed to every
box of imported cigars, to indicate
thereby the inspection by custom house
officers.

The amendment from the finance
committee, to paragraph 553, putting
rough diamonds, etc., on the free list,
the words, "and jewels to be used in the
manufacture of watches," was agreed
to—yeas 23, nays 20.

Various amendments were offered and
rejected.
On motion of Allison, the date the bill
is to go into effect, in section 12, was
changed from February 1st, 1889, to
July 1st, 1889.

There being no further amendments
offered, a vote was taken, the first on
agreeing to the substitute, and the second
on the passage of the bill. Both
votes are identical—yeas 32, nays 30.

THE VOTE.

Yes—Aldrich, Blair, Bower, Cam-
eron, Chase, Chandler, Culloin, Davis
Dawe, Dolph, Edmunds, Everts, Far-
well, Frye, Holley, Hiscock, Hoar, In-
galls, Jones (Nevada), Manserson,

pie, Vance, Vest, Voorhees, Walshall
Wilson, Maryland—30.

The Senate, at 8 p. m., adjourned.

HOUSE.

WASHINGTON, January 22.—Some time
was consumed in the endeavor by
Crisp, of Georgia, to secure action on
the contested election case of Smalls vs.
Elliot. The House refused to consider
it. After a delay of half an hour, caused
by filibustering by Cheadle, of Indiana,
the House went into committee of the
whole on the river and harbor bill.

After some filibustering, McAdoo, of
New Jersey, moved to strike out the ap-
propriation for the improvement of
Apanspee Harbor, Wis.

The advocates of other improvements
talked in a desultory way for some time.
McAdoo's motion was lost, and the
House soon adjourned.

THANKING

The Public for their liberal patronage extended to us in the past years,
we shall endeavor in the future to far surpass our former efforts. We
have received every encouragement by one and all in establishing a
Clothing House that is a credit to this city; and we shall spare no
pains to keep up our reputation and to carry a stock for which we are
so well known that will please all of our old patrons and the many new
ones that will be attracted to our immense popular establishment. In
consequence of our great rush during the holidays, we were entirely
closed out in certain classes of goods, which are again being replen-
ished as fast as telegrams and express can get them for us.

OUR SUIT DEPARTMENT!

For Men, Boys and Children we have yet a complete assortment,
having kept up our stock in these goods the entire season, and still
adding more styles to supply the demand.

OVERCOATS!

On account of the mild season, our sales on Heavy Overcoats have
not been as large as we anticipated, and in order to move them more
rapidly we shall CUT THE PRICES in this Department, as they must
be sold.

Furnishing Goods & Hats.

In these departments you will always find a complete stock in every
respect. As we carry such great variety, it requires too much space to
go into details. An inspection in any of our departments will con-
vince you that we are headquarters in our lines.
